

NEED

NEED PIZZERIA was inspired by more than a few great people who have strived to make this famous style of great hand crafted pizza for decades.

We want to thank those who have perfected this craft and pay them homage for sharing their craft and inspiring people like us. Making this pizza for you is not just our job, it is our calling.

Thank you for being here with us!

OUR FOCUS COMES FIRST

We provide hand crafted thin crust pizza. Our crust is vegan friendly. All pizzas have olive oil, oregano, garlic and grated parmesan cheese.

4 styles are available in a build your own pizza format.

Ask your server about our specialty pies.

*Ask us about our **VEGAN CHEESE OPTION**
and Yes, **OUR CRUST IS VEGAN!***

*We have 1-sized **GLUTEN FREE CRUST** option*
but our kitchen is not a kosher gluten free kitchen*
